Join us for a Spooktacular event that is right up your alley. Junior Achievement of Southern Nevada's Annual Boo-A-Thon is a day filled with fun and festivities where you can show off your bowling tricks and treats for a great cause. You don't have to be a great bowler to be successful. All you need is enthusiasm!

Bowlers put together a five-person team and raise at least \$100 per person from friends, family, neighbors, colleagues and acquaintances. You can even bring your mummy! Junior Achievement provides all of the fundraising tools to help you and your teammates reach and exceed your goals. And we make it eerily easy with an online donation website for the tax-deductible contributions.

There is a \$10 registration fee for all bowlers, which provides them with unlimited bowling for 2 hours including shoes and the chance to win fabulous prizes!

This event is a wonderful team building activity for corporations and organizations and a great way to support the programs that Junior Achievement offers to students in our community.

At Junior Achievement of Southern Nevada, our mission is to inspire and prepare young people to succeed in a global economy. Our staff and volunteers help build better futures by teaching young people how to be financially successful and aspire to greater things.

With your support, we will be able to partner with the business community, educators and volunteers to inspire over 20,000 students in 2018-2019 to dream big and reach their potential.

## WHAT IS A BOWL-A-THON?

**A great company team building activity that helps raise funds to support Junior Achievement and the over 20,000 students they serve.**
